Long Bay Beach Resort & Villas, Tortola, BVI, is a plantation-style villa resort with tropical informality that is ideal for vacationers who love to sail and dive. An aura of sophisticated tropical informality reigns at this beachfront, plantation-style resort set among verdant hills.

Historical touches abound, and the resort's centerpiece is its mile-long beach of white sand. Its 157 beautiful guest rooms and villas are hidden away on a 52-acre, estate, giving our guests a feeling of exclusivity and privacy, yet Long Bay is convenient to many of Tortola's countless boating and fishing venues.
