DINING

Long Bay Beach Resort & Villas' two restaurants are run under the direction of award-winning Executive Chef Peter Hamil, a Jamaica native who trained at the prestigious Culinary Institute of America. Chef Hamil can also be hired for private dinner functions in the villas or estate homes.

1748 is an informal beachfront restaurant set on the ground floor of a renovated 18th-century sugar mill with beachfront decking. With a breakfast buffet as well as a full lunch and dinner menu, 1748 offers a variety of choices, ranging from grilled burgers to fresh seafood to outdoor barbeque, and hosts a Sunday brunch, popular among guests and locals alike.

Upstairs, **Pasta House** provides an intimate dining experience while serving Italian cuisine, fine wines and ocean views.

DRESS CODE

All restaurants have a casually elegant dress code. However, dress shorts are allowed for dinner in 1748.

1748 Beach Bar specializes in Caribbean cocktails such as the Island Fizz and the Long Bay Cooler.
