DINING

Savvys Restaurant & Bar

Savvys Restaurant & Bar offers one of Grenada's best dining experiences with panoramic ocean views and innovative, tropical fare. Savvys serves an eclectic mix of traditional West Indian and Caribbean cuisine featuring fresh local produce and seafood. Prepared and elegantly presented in the spirit of the Caribbean, fruit and vegetables are organically grown at Mount Edgecombe and Tufton Hall, two of de Savary's private plantation estates.

The bright and welcoming décor of Savvys Restaurant & Poolside Bar provides a laidback and relaxing backdrop for a fun and festive evening. Dine on the restaurant's terrace to experience Grenada's most romantic, panoramic, nighttime view of the coastline while the twinkling lights of St. George's dance on the water.

Breakfast is served daily from 8:00 a.m. to 10:30 a.m. Dinner is served from 6:00 p.m. to 9:00 p.m. Vegan and vegetarian dishes are always available, and special dietary requirements can be accommodated upon request. A children's menu is also available.
